

Recycling Update for Parryville Residents!

Beginning January 2015, Advanced Disposal (*Parryville's trash & recycling hauler*) will pick up recycling at your curbside along with your trash.

Please note:

Trash will continue to be picked up weekly early Tuesday mornings;

Recycling will be picked up every other Wednesday beginning January 7, 2015. There will be a schedule at the Borough office.

The recycling dumpster at the Fire Company will no longer be available.

Please save your recycling until January 7, 2015.

Single stream ("fully commingled" or "single-sort") recycling means that all paper, plastics, metals, etc. are mixed in a collection container instead of being sorted by you.

No need for separate recycling containers!

Items that may be recycled are the following:

- Aluminum cans

- Aluminum foil

- Aluminum pie tins

- Brown paper bags

- Cardboard – corrugated AND paperboard (i.e.

cereal boxes, tissue boxes, beverage boxes,

etc.) – please flatten all boxes (*clean & dry, no waxed containers*)

- Glass bottles and jars (green, brown, blue & clear; drinking glasses OK; NOT mirrors or window glass)

- Junk mail, propaganda

- Office paper

- Magazines

- Newspapers

- Phone Books

- Plastic containers (#1-7) *includes* hangers, plasticware, DVDs & cases, lids, cookie holders, PVC pipe, brushes, etc.

- Steel cans (i.e. vegetable cans, tuna cans, etc.)

- Empty aerosol cans

- Plastic grocery bags
